

VERIBID - PROCUREMENT FORENSIC VERIFICATION

SIH 2026 Synthetic Test Case

SYNTHETIC DEMONSTRATION DOCUMENT - NOT A VALID GOVERNMENT, TAX, COMPANY, BANK, OR PROCUREMENT RECORD.

Tender Document - DEMO/2026/ICT/NET/01

1. Tender Notice

The Demo Public Procurement Department invites electronic bids from eligible suppliers for the supply, installation, configuration and commissioning of enterprise network infrastructure for district offices. This document is a synthetic tender prepared for testing the VeriBid document-verification prototype.

Tender Reference	DEMO/2026/ICT/NET/01
Tender Title	Supply, Installation and Commissioning of Enterprise Network Infrastructure
Estimated Tender Value	INR 8,75,00,000
Bid Security / EMD	INR 17,50,000
Performance Security	5% of awarded contract value
Bid Validity	120 days from the final bid submission date
Contract Period	180 days from the date of award
Pre-bid Meeting	08 September 2026, 11:30 AM
Bid Submission Deadline	30 September 2026, 3:00 PM
Technical Opening	30 September 2026, 3:30 PM
Commercial Opening	To be notified to technically qualified bidders

2. Scope of Work

The successful bidder shall supply 48-port managed network switches, aggregation switches, edge routers, next-generation firewalls, Wi-Fi 6 access points, network racks, structured cabling accessories, UPS units, installation services, configuration, testing, documentation and three years of on-site warranty support.

3. Eligibility Criteria

The bidder should have been incorporated for at least three financial years, maintain active tax registration, demonstrate an average annual turnover of at least INR 10,00,00,000 during FY 2023-24, FY 2024-25 and FY 2025-26, and show successful completion of at least three similar contracts during the previous five financial years.

For an MSME claim, the bidder should provide a valid Udyam registration corresponding to the bidding legal entity. An OEM authorization letter should identify the bidder and the proposed product category. The bidder shall also provide a declaration concerning domestic value addition for applicable products.

4. Technical Requirements

Item	Minimum Requirement	Quantity
Managed Switch	48-port, Layer 3, 10G uplink support	120 units
Aggregation Switch	24-port, 10G/25G uplinks	12 units
Firewall	NGFW, HA-ready, 5 Gbps+ throughput	6 units
Wi-Fi 6 Access Point	802.11ax, controller-managed	240 units
Network Rack	42U, standard floor-standing rack	36 units
Online UPS	10 kVA, minimum 60-minute battery backup	36 units

5. Documents to Accompany the Bid

The technical and eligibility packet should contain the bid submission form, PAN details, GST registration, Udyam registration where claimed, financial statements, experience certificates, OEM authorization and domestic value-addition declaration.

6. Evaluation Approach

Eligibility and documentary consistency are checked before detailed technical evaluation. Discrepancies, missing evidence or inconsistent entity details may be referred to the designated procurement officer for clarification or further review in accordance with the applicable procurement process.

7. Important Note for the VeriBid Prototype

This synthetic tender is intentionally written as a realistic procurement document so that the verification engine can extract thresholds, dates, entity information, required document types and technical quantities. It is not connected to GeM or any government department.

All names, registration numbers, document references, amounts, addresses and dates in this file are fabricated for software testing.
